

Here we are in April of 2010...

...WELL OVER SIX YEARS since the beginning of intense IRS efforts to suppress the liberating information in '[Cracking the Code- The Fascinating Truth About Taxation In America](#)' (CtC);

...ALMOST FIVE YEARS since the IRS launched a series of efforts to attack [CtC](#) as "promoting false or fraudulent tax schemes" in three different courts across the country in 2004 and 2005, all of which were [ultimately dismissed by motions](#) of the Department of Justice itself;

...MORE THAN THREE YEARS since a [carefully-inaccurate description](#) of a typical [CtC](#)-educated filing was listed as #1 on the IRS "Dirty Dozen" list (and about two years since the Sixth Circuit Court Of Appeals excused this and similar efforts to mislead, declaring that the government can't be prohibited from "*SUGGESTING [that [CtC](#)] promotes false or fraudulent tax schemes*" (emphasis added));

...MORE THAN THREE YEARS since the launching of the hokey and contrived IRS PR-campaign "[lawsuit](#)" against my wife and me, ostensibly seeking to recover refunds made to us several years ago which even the United States Treasury Department admits were, and remain, perfectly proper;

...AND WELL OVER A YEAR since the IRS launched a vicious [assault on me personally](#) in a desperate, deeply corrupt effort to cow the educated into paralysis and frighten the ignorant away from the liberating truth, so as to continue successfully bleeding both into penury and subjugation.

**AND YET THROUGH ALL THAT TIME,
and despite the intensity of the IRS focus on me and on [CtC](#), the federal government
hasn't found itself able to legally assert that I have had any tax liability for any of the
years since I first learned the truth about the tax and acted accordingly!**

Following are the official Treasury Department Certificates of Assessment concerning all the years for which I was accused of "filing forms which I do not believe to be true".

Note that other than for the year 2000, for which my wife and I had originally filed a "conventional return" with a disclaimer denying the applicability of the term "income" to our reported earnings that the IRS refused to process, and for which an alleged liability in the name of Peter Hendrick, whoever

THAT is, was calculated by the agency BEFORE our educated replacement return was filed on November 11, 2002, no tax has ever been assessed for any year...

Obviously, not only does the government know perfectly well that I believed in the truth of what I said on my filed forms, but it also knows perfectly well that what I said on those forms was correct-- which is why it is so desperate to keep more Americans from reading '[Cracking the Code- The Fascinating Truth About Taxation In America](#)' and learning the liberating truth about the "income" tax for themselves.
