**Re: Response to CP2000 Letter (Proposed IRS changes)**

USPS Certified Mail: #

To Whom It May Concern:

Thank you for your letter dated February 27, 2006, a copy of which is enclosed as well as completed forms you asked me to complete and return to you by March 29, 2006.

In accordance with your letter, as stated on Page 3 of Step A, I have checked the box marked "OPTION 3" as I do not agree with any of the changes Internal Revenue Service (IRS) is proposing.

The information reported to you about me from COMPANY and COMPANY that you reference on Page 5 in your letter under the section titled "TAXABLE WAGES", and using it as your basis to propose changes, is Bad Payer Data as described in the Internal Revenue Manual at 4.2.2.4.4 (E).

The claim for refund/return I filed for 2004 had documents (signed by me under penalty of perjury) submitted with it that corrected the incorrect information that was reported and IRS has processed them in relation to my claim for refund/return to my satisfaction. I have enclosed copies of those documents for your reference to document and support my statement and I will use them in any court proceeding if needed. **I expect IRS to correct its records as to what was reported to them based on these documents submitted by me.**

If IRS has first hand knowledge of any amounts reported other than what I have claimed and sworn to under penalty of perjury, I will require Section 6201(d) verification to support your position.

However, I would like to thank IRS though for pointing out two incorrect 1099-DIV information returns filed by COMPANY, a non-governmental, for-profit, privately-owned company. Enclosed you will find two statements from me (backdated to the date of my filed claim for refund/return) to correct these information returns reported to IRS to assist you in having accurate information on file.

**No further action is required by IRS other than to correct its information as I have reported it under penalty of perjury and correct its records for the two remaining incorrectly reported Form 1099-DIV reported to them based on the documents I have enclosed and respond to me that this matter is now closed.**

I request and demand any and all due process to which I am entitled or which is in any way appropriate and/or available to me under any provision or practice of common, statutory, and/or administrative law or protocol including, but not limited to, that to which your notice refers; and incorporate by reference into this request and demand all relevant information included on or in that notice, a copy of which is attached.

Be advised that it is my intention to audio-record any and all proceedings for which such an option is lawfully available to me. I declare that I make no admissions as to my status, the legitimacy of your implicit or explicit assertions, or the fitness of any particular legal or administrative protocol by responding to your notice or by requesting and demanding the due process referenced above.

Prior to any formal or informal due process hearing, I expect and require meaningful clarification as to the nature of -- and reason for -- any alleged assessment, the process by which any and all relevant determinations reflected in and by your office were arrived at, and anything else pertinent to the matter.

Under the penalties of perjury, I declare that I examined the facts stated in this letter, including any accompanying documents, and, to the best of my knowledge and belief, they are true, correct, and complete.

Thank You,

---
