A review of your Michigan Income Tax Return for the year indicated above resulted in adjustment(s) to your return. Based on the adjustment(s), you will owe additional tax. The reason for the adjustment(s) is explained below.

No MI-1040 return was filed for the above year. Tax due computed based on IRS audit information, provided by IRS under authority of IRC.6103(d). File a return to adjust this bill or submit proof that no return was required.

If you agree with the adjustment(s) made to your return, attach your payment for the amount indicated above to the enclosed copy of this letter and return it to the Michigan Department of Treasury. Make the check/money order payable to "State of Michigan." Write your social security number and the tax year on the front of the check. Send your payment to the address below.

If you disagree with the adjustment(s), write the Department of Treasury requesting a re-evaluation. State why you believe the adjustment(s) is/are incorrect and include documents (federal return, schedules, property tax statements) to support your claim. Send correspondence to: Michigan Department of Treasury, Income Tax Section, Box 30058, Lansing, MI 48909. If you have questions, call Customer Services at 1-800-827-4000.
